Lavan is Western Australia’s largest independent WA-owned and operated law firm with more than a 120-year history. Lavan’s Construction and Infrastructure team has a unique understanding of the local civil construction industry. Civil contractors, both large and small, consistently choose the team to negotiate and draft significant contracts, handle claims management strategy and dispute resolution, and provide representation in litigation if and when necessary. Lavan’s team has outstanding relevant industry experience with all forms of construction contracts in use in Western Australia (standard or customised), and can assist civil contractors in the following ways:

- Trouble-shooting advice on the end of a phone call or email on an as and when required basis.
- Construction contract reviews for civil contractors. Lavan’s team is constantly involved in drafting and reviewing such contracts and understand the reasoning behind the various clauses and forms used, the common ‘traps’ for civil contractors, and mechanisms by which a civil contractor can protect and enhance its position.
- Pre-dispute advice on claims arising out of construction contracts. Lavan can assist a civil contractor in presenting and defending claims before any dispute arises and provide strategic claims advice.
- Representation in all forms of dispute resolution including litigation, arbitration, mediation, expert determination and rapid adjudication (security of payment) claims under the Construction Contracts Act (WA).

MATES is a charity established in 2008 to reduce the high level of suicide among Australian construction workers. MATES provides suicide prevention through community development programs on sites, and by supporting workers in need through case management and a 24/7 help line. The MATES program is based on the simple idea that suicide is everyone's business. If the building and construction industry in Australia is to improve the mental health and well-being of workers and reduce suicide, then it cannot be left to mental health professionals: everyone in the industry must play their part. Working for the construction industry in general, MATES is independent of employers and unions and never works directly for an employer. Programs are delivered across the industry regardless of employer or union affiliation.

We are insolvency and turnaround teams who help both companies and individuals to recover from difficult business or personal financial situations and assist the creditors attached to these matters. When this can't be achieved, we help wind down operations or manage personal insolvency procedures, and recover secured debts with expert knowledge, delivered with thought and care. The Worrells Group is a group of independent members firms.

Zenith Search was established in 2011, with our Directors operating successfully in the construction sector since 2006 we saw an opportunity to develop a new business that specialised in delivering an exceptional level of service to the market. Our business has a trusted reputation and enviable track record in delivering contract, permanent and executive search recruitment services. Since 2011 we have grown and now have a presence in Sydney and Melbourne as well as our head office in Perth. Our sector coverage has diversified to include civil, SMP, E&I and commercial construction, mining operations and engineering, corporate services and executive recruitment. Zenith Search is recognised as a leading provider in the market and our clients trust the professional and ethical approach we adopt in every situation. Our methods are proven and the levels of success attained mean we benefit from continuing repeat business with leading companies across Australia.
